

FRIZZANTE

SOPIÉ

White

Type of grape: Chardonnay

Winemaking: The fermentation process is cut off when the alcohol content reaches 5.5% in order to achieve a low-alcohol wine.

Tasting: On the palate, it leaves a sensation of pleasant sweetness, lightness and freshness. The bouquet is very aromatic, with hints of green apple, pear, citrus (lemon, grapefruit) and tropical fruits (mango, pineapple and banana), and traces of floral scents of acacia. Low acidity.

It has a bright, fresh, youthful, soft pale yellow colour.

Ideal to accompany light meals, snacks and desserts.
