

ROSA BRUT NATURE

TYPE OF WINE:

Rosado Brut Nature

VARIETIES:

Malbec 100%

TEASTING NOTES

This sparkling, 100% Malbec wine is made following a meticulous selection of grapes from our oldest vineyards, located in Alto Agrelo, 1,020 metres above sea level. It has an attractive violet-pink hue that is typical of the Malbec variety. In the nose it reveals a range of aromas of red fruits (cherry, plum and strawberry), which, together with the violets make this an extremely harmonious, well-balanced sparkling rosé. All the sensations perceived in the nose are reflected in the mouth, with an excellent freshness, elegance and finesse.
