

A SEÑORÍO DE ANDIÓN

Name

SEÑORÍO DE ANDIÓN

Type of Wine

Premium red wine 16 months in barrels

Grape Varieties

Cabernet Sauvignon, Tempranillo, Merlot and Graciano

Vinification

Fermentation takes place in French oak tanks of small capacities (10.000 litres) and the malolactic fermentation takes place directly into new French oak barrels with a medium toasting.

Ageing

16 months in new medium toasted French oak barrels.

Tasting Notes

Dark cherry-red color, highly intense, with purple reflections around the edge. A complex and powerful bouquet, with great elegance, thereby showing an intense aromatic range of mature red fruits, with tones of gooseberries and blackberries, together with brilliant balsamic tones and a hint of minerals. Very flavorful, solid and expansive, with great body and concentration, and ample fruitiness, it is outstanding for its great structure and lively, soft tannins. Andión is simultaneously powerful and elegant, a wine of great character and long life.

Serving temperature: 17°C.

Decanting recommended.
