

Name: Taurus Crianza

Type of wine: Red Crianza

Varieties: 100% tinta de toro.

Ageing: 6 months in French oak barrels from Allier.

Tasting notes: This Tinto Roble wine has a deep cherry red colour with violet shades. In the nose, it is very expressive and shows great intensity. Fruity aromas like blackberries and plums stand out, which are well complemented with the fine toasted aromas in the background, as a result of its short ageing in high quality oak. Warm, intense and well-structured in the palate, we perceive ripened fruit flavours well balanced with the oak. Its aftertaste is silky, elegant and persistent.

Serving temperature: Between 16 and 18°C.
